This letter is to request Verification of my NameJet account for selling, buying and/or auction bidding purposes. I understand when selling domains on NameJet, no charges will be incurred against my credit card.

In the event I bid on and win an auction, this letter will authorize and guarantee NameJet™ for charges to my credit card, first 4 digits being \_\_\_\_\_ and last 4 digits of \_\_\_\_\_, for all domain names or services that I have purchased through NameJet.

I understand, per the NameJet Terms of Use, that individual domains over \$5000 must be paid by bank wire transfer. Payments for NameJet auctions will first be deducted from any balance on my account. If there are insufficient funds in my account balance, then my credit card on file will be charged directly for any remaining amount due for auctions of less than \$5000.

I understand in the event of a dispute processed by my credit card issuer, NameJet will reserve the right to suspend access to any and all accounts I have, and that all right, title, interest in, and use of any domain names and/or services connected shall be assumed by NameJet, at its discretion. I also understand that in the event of the aforementioned, I will be responsible for any and all transaction amounts and fees associated with the dispute, prior to any account reactivation or domain access.

**Please send a government-issued COLOR photo ID (such as driver’s license or passport) that matches the name on your credit card. Black and white cannot be accepted.**

**Please scan and attach both documents to a Support Center ticket created from within your account. A fax cannot be accepted.**
